

**EMPLOYERS**  
MAKING A DIFFERENCE

**This certificate records that**

Leighs Paints

**has made a commitment to help young people make a  
successful transition from education to employment.**

**Richard Guy**

Chief Executive, Manchester Enterprises

Date

29th September 2005

***"Young people are a key asset of the region. We believe that, by helping them to understand the workplace and its requirements and by supporting their development once they start work, we can enable them to maximise their attainment in education, to make a successful transition to employment, and fulfil their potential - which is critical to the future development of the region's economy"***
